1. Take note Molasses is available in Hippo Valley and as ZADF we are still organizing transport logistics and we will update you once we have finalized the transport arrangements.
2. To make payments the supplier of raw materials have the following terms:
 - i. Members can pay using either RTGs at current spot rate of USD\$
 - ii. Members can make either prepayments or cash and carry
3. For all imported orders placed on raw materials the lead time is 7-10 days and for local markets the is no lead time, however due to scarcity in some local ingredients some suppliers now requesting us to order in time so that the quantities can be made available
4. All suppliers now requesting farmers to bring their own empty bags when collecting their orders
5. Take note transport (Rail/Road) can be arranged to make the raw materials available at central place from Harare after the raw materials landed in Harare
